***Fearless Leadership* by Carey Lohrenz Debuts on Wall Street Journal Bestsellers List**

October 17, 2014, Austin TX – *Fearless Leadership: High Performance Lessons from the Flight Deck* (Greenleaf Book Group Press) by Carey Lohrenz debuted at #6 on the Wall Street Journal Hardcover Business bestsellers list for the October 12, 2014 edition.

As an aviation pioneer, Carey D. Lohrenz learned what fearless leadership means in some of the most demanding and extreme environments imaginable: the cockpit of an F-14 and the flight deck of an aircraft carrier. Here, her teams had to perform at their peak—or lives were on the line. Faltering leadership was simply unacceptable. Through these experiences, Lohrenz identified a fundamental truth: high-performing teams require fearless leaders.

Since leaving the Navy, she's translated that lesson into a new field, helping top business leaders - from Fortune 500 executives to middle managers - supercharge performance in today's competitive business environments. In *Fearless Leadership*, Lohrenz walks the reader through the three fundamentals of real fearlessness—courage, tenacity, and integrity—and then reveals fearless leadership in action, offering advice on how to set a bold vision, bring the team together (as wingmen, not Top Gun mavericks), execute effectively, and stay resilient through hard times.
